TERMS AND CONDITIONS OF SALE

As used herein, "Buyer" includes a buyer under any purchase order or other procurement document, or a person to whom a quotation or offer is issued by Seller, its subsidiaries and affiliates; "Seller" includes Associated Materials, LLC and its subsidiaries and affiliates. Buyer and Seller agree as follows:

1. SCOPE

These Invoice Terms and Conditions ("Terms") shall apply to all sales, quotations and offers made by, and purchase orders accepted by, Seller. These Terms apply in lieu of any course of dealing between the parties or usage of trade in the industry. In the event the Terms conflict with any of the terms and conditions affixed to or referenced in the purchase order or other procurement document issued by the Buyer, these Terms shall govern, and placement of Buyer's order is conditioned upon Buyer's acceptance of these Terms, irrespective of whether the Buyer accepts these conditions by a written acknowledgement, by implication, or acceptance and payment of products ordered hereunder. Seller's failure to object to provisions contained in any communication from Buyer shall not be deemed a waiver of the provisions herein.

2. BUYER'S ORDER

a. Pricing & Taxes

Shipping and handling fees are additional charges unless otherwise expressly indicated at the time of sale. Prices are subject to change on seven (7) days' notice to Buyer. Any order that can be cancelled and rescheduled pursuant to this Section 2 is subject to a price change in Seller's discretion. All prices are exclusive of any present or future sales, revenue or excise tax, value added tax, turnover tax, import duty (including brokerage fees) or other tax applicable to the sale of any product. Such taxes, when applicable, shall be paid by Buyer unless Buyer provides a proper tax exemption certificate. Unless otherwise agreed to in writing by the parties, prices quoted by Seller are those current at the date of quotation and are subject to change by Seller.

b. Cancellation

- (1) Buyer's Cancellation: Buyer may cancel or reschedule any order only for standard products (products regularly kept in Seller's normal inventory), provided both (i) the size of the order is within normal volume levels of such product regularly maintained in inventory by Seller and (ii) Seller receives notice of such cancellation in writing no later than seven (7) days prior to the scheduled shipment date. Buyer may not cancel any order for nonstandard parts, custom products, special order products or standard parts with minimum usage. In the event of any cancellation or rescheduling permitted hereunder, Buyer shall pay promptly to Seller the costs of settling and paying claims arising out of the termination of work under Seller's subcontracts or vendors and any accounting, legal, and clerical costs arising out of the cancellation. All cancellation notices must be consistent with Section's 13(e) requirements.
- (2) Seller's Cancellation: Seller shall have the right to cancel any pending purchase order or any delivery in progress without notice to Buyer upon the occurrence of an event of default by Buyer. Any order that can be cancelled or rescheduled by Buyer pursuant to Section 2.b(1) may be cancelled or rescheduled by Seller if like notice is given to Buyer.

c. Return Policy

Buyer may only return products provided (i) Seller's authorized representative approves such return, which approval shall be in Seller's sole discretion, (ii) Buyer returns products with a restocking fee equal to 20% of the invoice amount for the returned product, (iii) the products have not been used, modified, altered or damaged, and (iv) the products are returned within forty-five (45) days of delivery by Seller to Buyer, with transportation and shipping charges prepaid by Buyer. Special orders or non-stock items cannot be returned.

Credit memoranda issued for authorized returns shall be subject to the following deductions: (a) cost of putting items in a salable condition; (b) transportation charges, if not prepaid; and (c) handling and restocking charges.

d. Special Orders

With respect to any special order products supplied in accordance with Buyer's designs, specifications or instructions, Buyer shall indemnify, defend and hold harmless Seller, its officers, directors, agents and employees from and against all actions, claims (regardless of the merits thereof), liability, loss, damage, and expense, including court costs and attorneys' fees and disbursements, resulting from any actual or alleged infringement of patent rights, copyrights, moral rights, rights in proprietary information, database rights, trademark rights and other intellectual property rights (collectively, "Intellectual Property Rights"), whether domestic or foreign, or any litigation based thereon. Such obligation shall survive acceptance of goods and payment by Buyer hereunder.

e. Alteration of Product

From time to time, in its sole and absolute discretion, Seller may modify or change the standards and specifications of its product.

3. PAYMENT TERMS

Unless otherwise agreed to in writing, payment terms shall be net thirty (30) days from the date of invoice. Buyer shall notify Seller in writing of any dispute with any invoice (along with a reasonably detailed description of the dispute and any substantiating documentation) within seven (7) days of the date of such invoice. Where available pursuant to applicable law, Seller shall retain a security interest in the products and any proceeds therefrom until Buyer makes its final payment to Seller for the products. Where available pursuant to applicable law, Seller may file a financing statement for such security interest and Buyer shall execute any such statements or other documentation necessary to perfect Seller's security interest in such products. Buyer agrees to pay interest on any overdue balance at a rate of five percentage points above the annual Federal Funds rate as specified in the Wall Street Journal on the day the balance becomes due, or such maximum lesser rate as may be permitted by law. Unless otherwise agreed in writing, all payments are to be made in United States dollars. Where payment is made by letter of credit, all costs of collection shall be charged to Buyer. In the event it becomes necessary to incur any expense for collection of any overdue account, including the cost to bring legal action, reasonable collection charges, including reasonable attorneys' fees and costs of suit, will be added to the balance due and Buyer shall pay all such charges. Buyer shall not withhold, offset, recoup or debit any amounts owed (or to become due and owing) to Seller or any of its affiliates, whether under these Terms or otherwise, against any other amount owed (or to become due and owing) to it by Seller or Seller's affiliates.

4. SELLER'S REMEDIES

Buyer agrees that any of the following shall constitute an event of default which shall enable Seller, at its option, to cancel any unexecuted portion of this order pursuant to Section 2.b(2) or to exercise any right or remedy which it may have by law: (a) the failure of Buyer to perform any term or condition contained herein; (b) any failure of Buyer to give required notice; (c) the insolvency of Buyer or its failure to pay debts as they mature, an assignment by Buyer for benefit of its creditors, the appointment of receiver for Buyer or for the materials covered by this order or the filing of any petition to adjudicate Buyer bankrupt, (d) the death, incompetence, dissolution or termination of existence of Buyer; (e) a failure by Buyer to provide adequate assurance of performance within ten (10) days after a justified demand by Seller, or (f) if Seller, in good faith, believes that Buyer's prospect of performance under these Terms is impaired. Upon any event of default by Buyer under these Terms, Buyer agrees to reimburse Seller for all attorneys' fees and costs incurred by Seller in connection therewith. All rights and remedies of Seller herein are in addition to,

and shall not exclude, any rights or remedies that Seller may have by law.

5. DELIVERY; SHIPPING; RISK OF LOSS

Shipping dates are estimates only. Seller will make a good faith effort to complete delivery of the products as indicated by Seller in writing, but Seller assumes no responsibility or liability and will accept no charge for loss or damage due to delay or inability to deliver, whether or not such loss or damage was made known to Seller.

All products are sold FOB shipping point with transportation at the expense of Buyer. Title and risk of loss to products pass from Seller to Buyer on shipment from Seller's facility. Loss or damage that occurs during shipment is Buyer's responsibility regardless of whether the carrier was selected by Seller or Buyer and regardless of whether the cost of shipment is borne by Seller or Buyer. If Buyer should fail to pick up any scheduled products from Seller's facility within twenty-four (24) hours from the scheduled pick-up time, Buyer shall be liable to Seller for reasonable storage fees for such products.

Buyer shall notify Seller within ten (10) days of receipt of the products if Buyer believes any portion of Buyer's order is missing, incorrect or damaged. Failure to notify Seller in writing of any such missing, incorrect or damaged products within such period shall be deemed an unqualified waiver of any right to return products on a basis that Buyer's order has missing, incorrect or damaged products.

6. WARRANTY

Products shall be warranted pursuant to the manufacturer's published warranties for each such product. Notwithstanding the foregoing, no warranties shall apply to any products which have (i) been subject to misuse, neglect, accident, modification, alteration, or misapplication (ii) been altered such that they are not capable of being tested under normal test conditions, or (iii) not been applied in strict accordance with manufacturer's published specifications. Seller's sole obligation for products found to be defective, and subject to the terms of the applicable warranty, shall be, at its option, to either (a) issue a credit in the amount of Buyer's original purchase price for the product, less any installation costs or costs previously incurred by Seller for replacement of the product under the warranty, or (b) repair or replace the defective product, or portion of any product which portion is determined to be defective, as the case may be. In order to make a valid claim under the warranty, (1) the product claimed to be defective must be returned to Seller, (2) a written claim, including a reasonable, detailed description of the defect, must accompany the product being returned, (3) the written claim and returned products must be received by Seller no later than fourteen (14) days after the expiration of the applicable warranty period, and (4) Seller must determine, in its sole discretion, that the product was defective under the terms of the warranty and that such defect is not the result of misuse, neglect, accident, modification, alteration or misapplication which would cause the warranty to not apply. **THE FOREGOING WARRANTIES AND REMEDIES ARE EXCLUSIVE AND MADE EXPRESSLY IN LIEU OF AND SELLER EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, EXPRESSED, IMPLIED OR OTHERWISE, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.**

7. INTELLECTUAL PROPERTY
