

WINDOWEXPRESS

ONLINE WINDOW ORDERING SYSTEM

By Associated Materials | CSDirectTeam@associatedmaterials.com

SUMMARY

All quotes will still be visible in Web, whether entered in Desktop or not. All quotes hit the same database and will be accessible in either system.

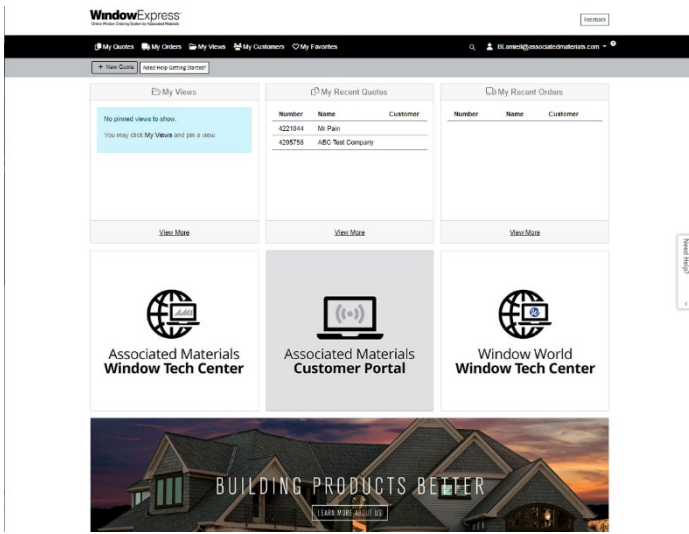

AM has updated to WindowExpress WEB! Action is required within the NEXT 14 DAYS or your activation code will expire. The activation code is used to link your desktop profile to the new web environment. NEW users will ONLY be given an activation code through their Customer Service Rep, Supply Center or Sales Rep.

Navigate to the WEweb homepage

INTRODUCTION

HOME SCREEN

After logging in, you will no longer see the message of the day. It will take you directly to the home screen.

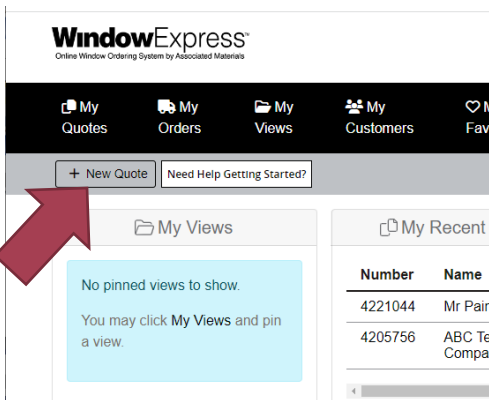

You can enter in your own customer with your own unique customer ID by clicking on “My Customers”

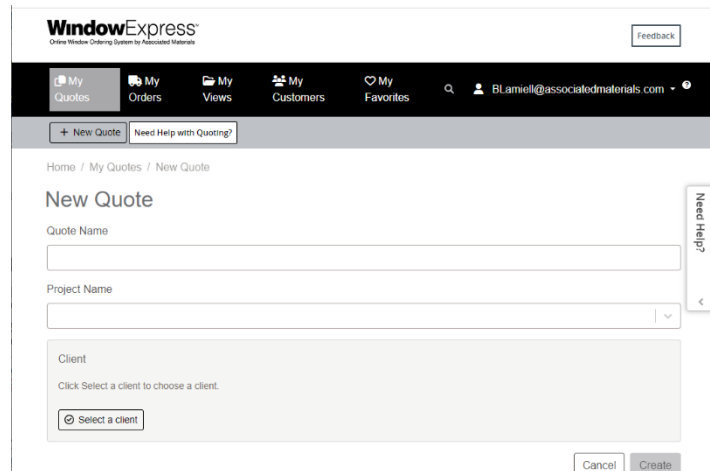

NEW QUOTE

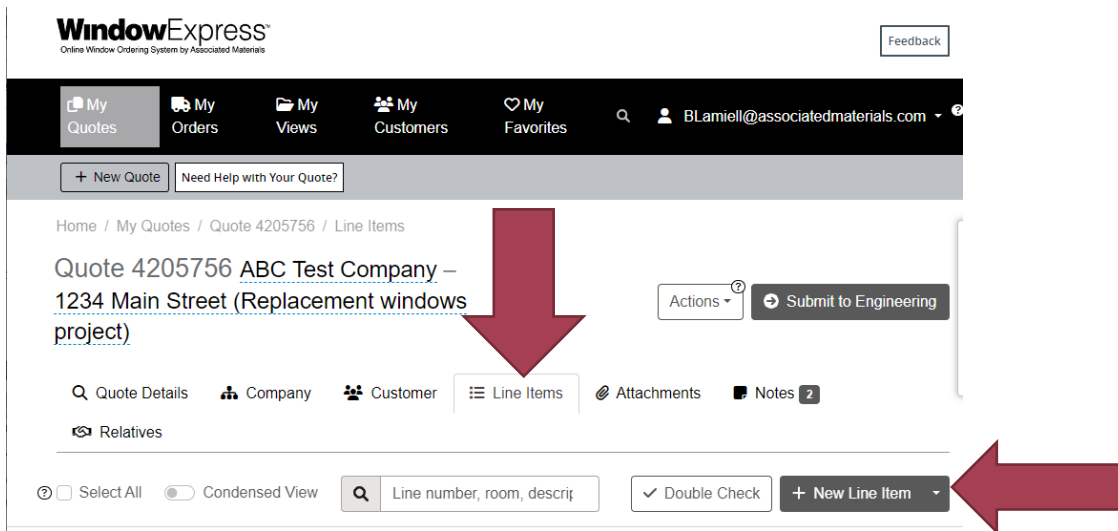

To create a new quote, click on the “New Quote” button.

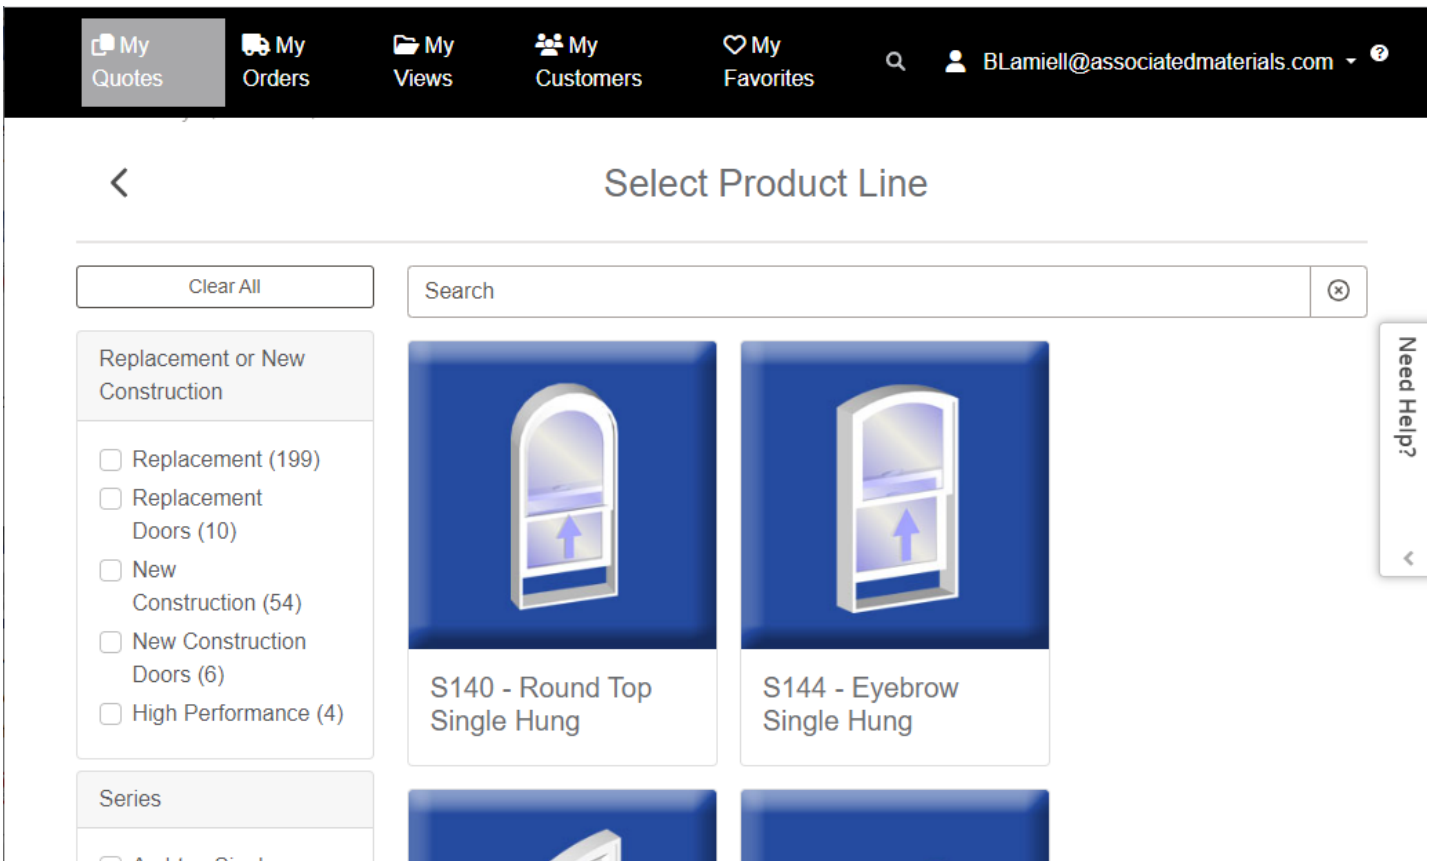

The new quote window should prompt you to add a quote and a project name.

A random number will get generated as your quote number. A new tool bar will be displayed under the quote number. Click on the "List Items" to add new line items.

Then click on **+ New Line Item** and start selecting the product line you would like to use on this project.

LINE ITEMS

You can add notes, edit the line item, copy the line item, or delete the line item.

Need Help?

There is an editing tool bar on each line item to make it easy to add the same window or order multiple windows with the same measurements.
